## In case of fire

#### You must simultaneously:

- 1. **Call the fire brigade** (010 45 34 34), giving the name of the street and the number of the building.
- 2. Call SERVICE 100 (tel. 100 or 112 from a portable phone) and the UCL caretaker (010 47 22 22) giving the name of the street and the number of the building.
- 3. In both cases, please specify:

- WHAT? : Smoke, flames, fire, and so on.- WHERE? : Accommodation, floor, and so on.

- WHO? : Your name.

- 4. Warn the others present in the building
- 5. Use the fire extinguishers to spray the basis of the flames. **Do not take risks.** Leave the premises if you feel that nothing can be done without endangering your life.
  - N.B. Do not throw water on burning oil. Cover instead with a wet cloth or an anti-fire blanket.
- 6. Send someone outside to wait for the fire brigade and direct them to the fire.
- 7. Verify that the previous calls have been well registered

# If you need to evacuate the premises

Activate the alarm and leave in order and calmly.

#### What you have to do:

- **Close** the doors and the windows,
- Unplug all electric appliances,
- Check that everyone has left (children's bedroom, bathroom, toilets, and so on),
- **Leave** with some warm clothes (especially during the winter).
- Take with you precious items, e.g. personal documents, identity cards, only if it is not risky.

#### What you should NOT do:

- Use the lifts
- Shout
- Run around
- Gesticulate
- Once outside, come back in the building
- Jump from the windows if higher than one floor.

### **IMPORTANT:**

#### Never forget that smoke is as lethal as fire.

In the presence of smoke, avoid unnecessary movements. To leave the place, lie down on the floor and crawl on your knees and elbows. Try to protect your nose and mouth with a wet cloth. If it is impossible to leave the premises, go in a remote room and signal by the windows while waiting for the arrival of the firemen.

#### In case of serious injury:
